

It's time for a beary special tradition. . .

The Fifth Annual Kindergarten

Teddy Bear Float Parade

Thursday, April 5 at 1:30 p.m.

*To prepare your teddy bear, there is an
at home project:*

To create your float for your bear all you need is an **old shoe box, some art supplies from around the house (no trips to the store please!) and some imagination!** Think of a theme for your float (a sport, a hobby, a favorite holiday, a place you like to go, a subject we have learned about in school, etc.) and then just have fun making it with your family!

***Please add a long string to the float so your child can pull it in the parade!

***No wheels on the floats please!

All bear floats are due into school by

Wednesday, April 4, 2012.

We would like to invite teddy bears into school on Thursday, March 24 to spend the day and the night at school before the teddy bear parade.

We respectfully ask that your child bring in only a teddy bear, and no other furry friends. Thank you!
